PROFESSIONAL SUMMARY

Aspiring Cybersecurity Professional with a Bachelor of Computer Applications (BCA) and a strong foundation in networking, Linux, and cybersecurity fundamentals. Hands-on experience with Kali Linux, Wireshark, Nmap, Linux Shell Scripting, GitHub, VirtualBox, and TryHackMe. Certified by Cisco Networking Academy and passionate about SOC Operations, Threat Detection, Network Security, and Incident Response. A quick learner with strong analytical and problem-solving skills.

TECHNICAL SKILLS

Programming Languages: Python, SQL, HTML, Bash (Shell Scripting)

Cybersecurity: Network Security, TCP/IP, DNS, HTTP/HTTPS, SOC Fundamentals, Vulnerability Assessment, Network Reconnaissance, Packet Analysis

Tools: Kali Linux, Wireshark, Nmap, Splunk (Learning), Git, GitHub, VirtualBox, TryHackMe

Operating Systems: Windows, Linux (Ubuntu & Kali Linux)

Soft Skills: Analytical Thinking, Problem Solving, Communication, Teamwork, Time Management, Quick Learner

PROJECTS

Nmap Network Scanning

- Performed host discovery and TCP port scanning.
- Identified open ports and active services.
- Conducted basic network reconnaissance.

Wireshark Network Traffic Analysis

- Captured and analyzed TCP/IP, DNS and HTTP traffic.
- Applied display filters to inspect network packets.
- Investigated source and destination IP communication.

Linux Shell Scripting

- Developed an IP Address Finder.
- Built a File Checker.
- Created a System Health Checker to monitor CPU, RAM and Disk usage.
- Automated basic Linux administration tasks using Bash.

TryHackMe Labs

- Completed beginner cybersecurity labs.
- Practiced Linux, networking, reconnaissance and web security.
- Improved hands-on cybersecurity skills through practical exercises.

GitHub Portfolio

- Uploaded cybersecurity projects with proper documentation.
- Used Git for version control and project management.

CERTIFICATIONS

- Cisco Networking Academy — Introduction to Cybersecurity
- Cisco Networking Academy — Networking Basics
- Cisco Networking Academy — Introduction to Packet Tracer

EDUCATION

Bachelor of Computer Applications (BCA) 2022 – 2025

Shikshaapeeth College of Management and Technology / Maharishi Dayanand University

ACHIEVEMENTS

- Inter-college Gold Medalist in Chess (2023)
- Inter-college Silver Medalist in Carrom (2023)
- Inter-college Silver Medalist in Chess (2024)
- Inter-college Silver Medalist in Chess (2025)

LANGUAGES

English, Hindi
